1A Edward Street – A Terraced Cottage Like No Other! Fully renovated with off-road parking, this outstanding terraced cottage truly raises the bar for modern living. One day, all terraced houses will be made this way! Behind the modest front door of 1A Edward Street lies a home that is, quite simply, one in a million. The property has undergone a complete “back to brick” restoration, creating what is effectively a brand-new house within its original characterful walls. Beautifully presented throughout, the accommodation includes a spacious living room, a stylish kitchen fitted with a full range of integrated appliances, a separate utility room, and a convenient downstairs cloakroom. Upstairs, there are two double bedrooms — the main bedroom enjoys a luxurious en-suite bathroom, while the guest bedroom also benefits from its own private en-suite. Outside, a small patio area provides the perfect spot to sit and enjoy the sunshine. And while the house doesn't come with its own tennis court or bowling green, you'll find both just across the road in the lovely Stonefield Park.
