

13, Lea Road, Stone, ST15 0JS

Asking Price £235,000

You could look high & low, far and wide and never quite find another one quite like this! This detached bungalow is located in one of Stone's most popular and sought after locations, tucked away in a quiet cul-de-sac off Meadow Way, walking distance to local shops and within a few minutes drive of Stone town centre. The property itself has been extended several times but would probably benefit from a little 're-imagination' but does nevertheless offer huge potential for a new owner to stamp their own mark. Occupying a good size plot at the end of the cul-de-sac with off road parking for several cars together with a large attached garage & workshop. Note; because the property has been extended several times, the rear garden is very small - please refer to the pictures. Great potential, offered for sale with no upward chain.
