Entrance Hall

A solid panelled front door with spy hole opens to the spacious reception hall. Offering a storage cupboard housing the hot water storage system, ceiling coving, intercom panel, smoke alarm and carpet.

Living Room Diner

A spacious, light and airy reception room with two Upvc double glazed windows to the front and side elevations enjoying views towards Stone town centre and its daily activity as it passes by. With modern fire surround and inset electric fire, ceiling coving, TV satellite connection, telephone point, wall mounted electric panel heater, carpet and glazed double doors opening to the kitchen.

Kitchen

Fitted with a range of wood effect wall and floor units, under wall unit lighting, contrasting marble effect work surfaces, inset stainless steel sink and drainer with chrome mixer tap, tiled splash-backs, ceiling coving, Upvc double glazed window to the front aspect, wall mounted electric fan heater and vinyl flooring.

Appliances comprising: ceramic electric hob with extractor hood and light over, built in fridge and freezer, integral microwave and electric oven.

Double Bedroom

A generous size bedroom with Upvc double glazed window to the front aspect overlooking the communal garden, ceiling coving, built-in wardrobes to one wall with bi-fold mirrored doors, telephone and TV connections, wall mounted electric panel heater and carpet.

Shower Room

A modern shower room with a white suite comprising; 1200mm shower enclosure with mains fed thermostatic shower system, vanity wash basin with chrome taps and a low level push button WC. Ceiling coving, fully tiled walls, wall mounted electric fan heater, towel radiator, shaver point strip light and extractor fan.

Communal Facilities

Joules Court was built in 2008 by McCarthy & Stone who are highly respected developers in the 'over 55' retirement home sector.

The residence has extensive communal amenities for residents including a luxurious residents lounge with kitchen facility, guest suite, lift to all floors, laundry, communal gardens and secure parking for mobility scooters.

The Development Manager is on site 8.30am until 4.30pm daily and outside these times an emergency alarm system is monitored.
