Situated on the popular Ashby Fields development, this well-presented two-bedroom property offers an excellent opportunity for first-time buyers, young families or investors alike. The property has been decorated and refreshed throughout, creating a bright and inviting home ready to move straight into.

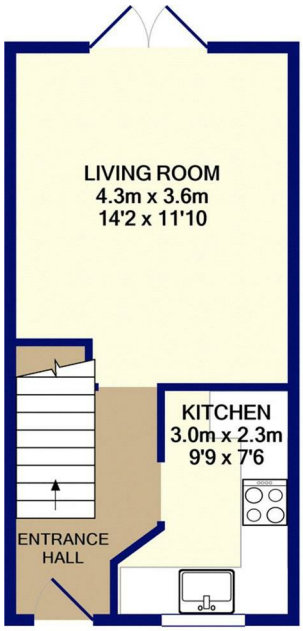

The accommodation benefits from a fitted kitchen with useful space for a slimline dishwasher, a comfortable living area with patio doors to the garden, two well-proportioned bedrooms and a refurbished bathroom, which was updated in 2022.

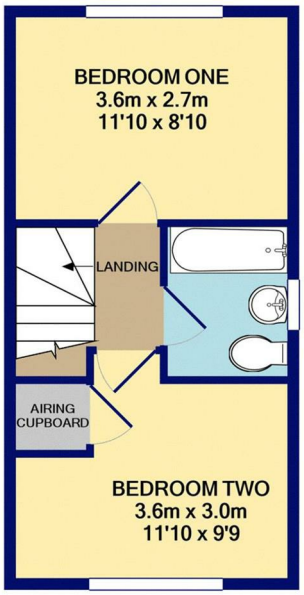

Outside, the property enjoys a generous rear garden with direct access, together with particularly useful parking to the front, providing a minimum of two tandem spaces with the potential to accommodate a third smaller vehicle.

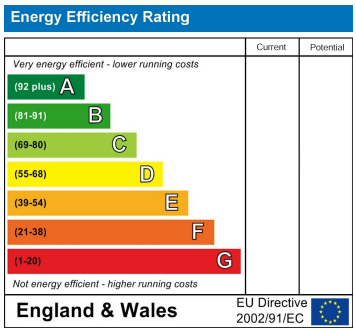

Further benefits include an EPC rating of C, gas central heating via a Worcester Bosch Greenstar 30Si combi boiler and a front door and frame replaced in 2017.

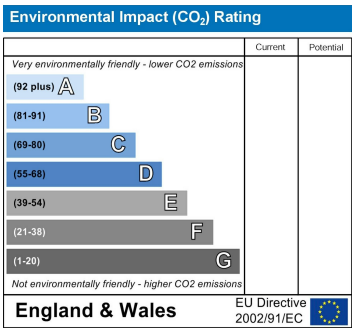

Ideally positioned on the sought-after Ashby Fields development, the property is within walking distance of a range of local amenities, including a doctors' surgery, dentist and Tesco mini supermarket, making this a highly convenient location for everyday living.

An excellent opportunity in a popular residential setting, with viewing highly recommended.
