This chain-free two-bedroom basement apartment offers generous, well-proportioned accommodation.

The layout is practical and spacious, with a large living room providing plenty of room for both lounge and dining furniture, and a separate kitchen with good worktop and cupboard space. The accommodation is completed by two double bedrooms, a bathroom and a separate WC, giving the flat a really workable everyday setup (and a nice bonus for guests).

A standout feature is the one-third share of the rear garden, offering welcome outdoor space that's ideal for morning coffees, a bit of pottering, or simply having somewhere green to escape to in the warmer months.

While the property would benefit from updating and cosmetic improvement throughout, it's a bright flat with a solid footprint and excellent potential—perfect for first-time buyers looking for a project, investors, or anyone wanting a home they can put their own stamp on.

Conveniently positioned for local amenities, transport links and access into Hastings and St Leonards, this is a smart option for buyers seeking space, outside area, and a chance to improve.
