A Characterful Detached Two-Bedroom Bungalow with Conservatory, Driveway and Garden

Situated on the ever-popular Upper Church Road, this charming detached bungalow dating back to the late 1800s and offers a wonderful mix of character, space and potential.

Arranged across one level and extending to just over 1,000 sq. ft, the property includes two double bedrooms, a comfortable living room with bay window, a separate study/office, fitted kitchen and family bathroom. To the rear, the impressive conservatory provides an additional living space overlooking the garden – ideal as a dining or day room and used year-round by the current owners.

The property retains much of its original charm, including good ceilings and period windows. The home would now benefit from updating throughout – giving the next owner a fantastic opportunity to modernise and create a truly individual home.

Outside, the property enjoys a private driveway and a mature rear garden, offering plenty of space for relaxing, entertaining or even future landscaping ideas.

Adding to the appeal, previous planning permission (now lapsed) was granted for the creation of six flats, providing further development potential subject to the necessary consents.

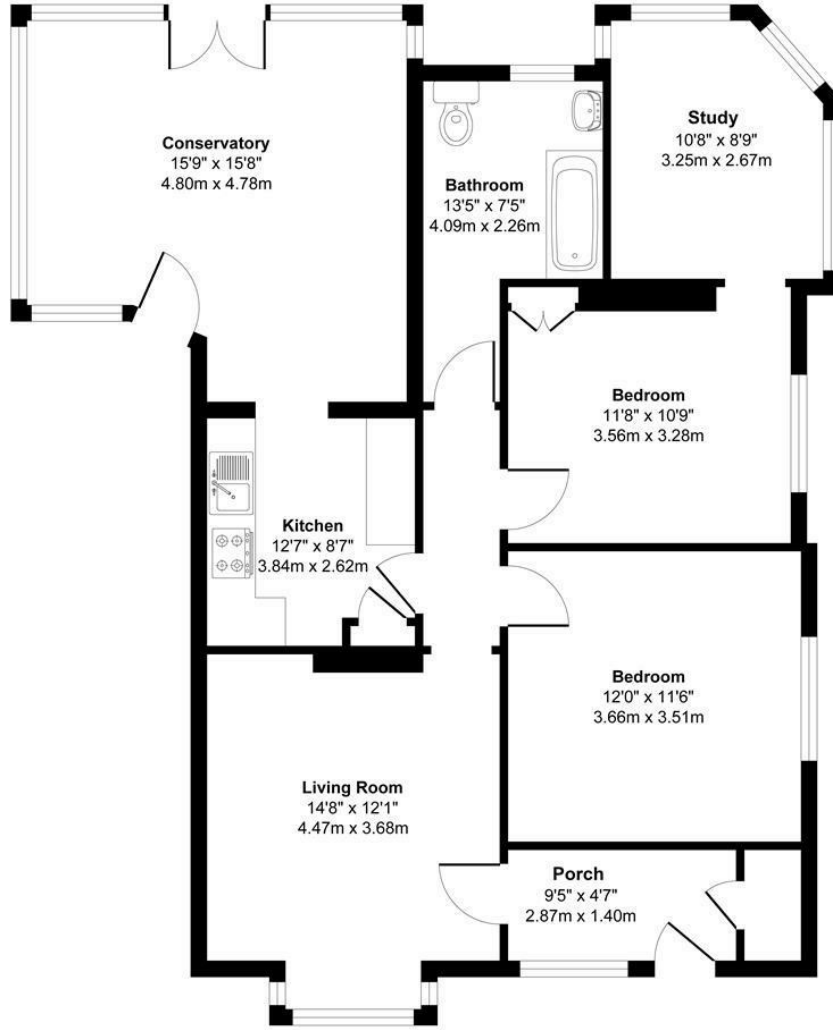

Located within easy reach of local shops, amenities and transport links, this unique home combines character, convenience and opportunity in one rare package – perfect for those looking to put their own stamp on something special.
