SEASONS

Seasons is a truly special three-bedroom detached home, thoughtfully designed and lovingly built by its owners to embrace its breathtaking setting. Perfectly positioned in the charming village of Morebattle, the property enjoys far-reaching, uninterrupted views across rolling countryside—views that inspired its name. The owners named the property Seasons to reflect the ever-changing panorama that can be enjoyed year-round—from fresh spring mornings and long summer evenings to the rich colours of autumn and the crisp stillness of Winter. Inside, the home is beautifully presented and carefully arranged to make the most of its surroundings.

The lounge and separate dining room both feature elegant sliding French doors, allowing natural light to flood in while perfectly framing the stunning rural views. These spaces offer a seamless transition between indoors and out ideal for both quiet relaxation and entertaining, with the countryside as your backdrop.

The kitchen is spacious and well-appointed, complemented by a utility room and a convenient downstairs cloakroom, ensuring practicality matches the home's charm.

Upstairs, the principal bedroom provides a peaceful retreat, complete with a walk-in wardrobe and elevated views across the landscape—an ideal place to wake up and take in the beauty of the day. Two further double bedrooms, a separate study, and a family bathroom complete the accommodation, offering flexibility for modern living.

Externally, the landscaped garden has been designed to fully embrace the setting, with carefully considered spaces to sit, unwind, and enjoy the scenery. A delightful summer house provides the perfect vantage point to take in the sweeping views, no matter the season. The property also benefits from a garage and a driveway with parking for several vehicles.
