

Fairview, West Flemington

In The Region Of £420,000

Near Eyemouth, TD14 5SQ

An exceptional high specification bungalow boasting a number of well considered eco upgrades making this an incredibly energy efficient, low maintenance home, set in a sought after coastal position with excellent local commuter and transport links

Enjoying an elevated position just a few miles from Eyemouth and within walking distance of Ayton Village including Ayton Castle and grounds, Fairview, as the name suggest boasts a superb open outlook towards the coastline in the distance with sea views.

This detached bungalow has been meticulously upgraded and modernised throughout to create what is now a high specification home offering a luxurious level of finish, clean crisp décor and fabulous attention to detail.

There are many highlights to this home but a stand out feature must be the impressive dining kitchen; beautifully planned and impeccably presented with top of the range cabinetry including a central dining island, Quartz worktops and complimentary porcelain floor tiles. Well considered lighting within this room completes the tasteful and contemporary theme. An adjoining utility room and boot room adds further practicality whilst the sizeable lounge to the front captures the best of the views and provides a lovely restful space from which to enjoy the peaceful setting.

Three light filled double bedrooms lies nicely along the hallway with the master room benefitting from a stylish en-suite shower room, whilst the family bathroom has also been finished to an exacting standard that matches the rest of the property; fully tiled with vanity storage and gold detailing within the fixtures and finishings.

The current owners have added a most successful garden studio/home office; excellently equipped and with glazed sliding doors to the front so capturing the super outlooks. For those working from home, this is an enviable space, but could be equally well suited to a studio, or simply a peaceful garden retreat.

For buyers in search of an energy efficiency home with minimal running costs, the energy credentials of Fairview are truly impressive. Twenty solar panels have been installed to the rear roof elevation, some of which still have 11 years remaining on the FIT, and generate on average £2500 per annum. In addition, the windows are triple glazed, there is a positive input ventilation system, and the current

owners have installed a Tesla Power Wall with a 13.7kw capacity as well as an electric car charging point - all combined the current owners electricity outgoings are largely generated by the solar panels, whilst their electric car charging costs as little as 7p per KW.
