Roseville & Annex, Sunnyside

Tweedmouth, TD15 2QP

Offers Over £410,000

A most deceptive three bedroom detached bungalow together with a self contained annex within the rear garden grounds, ideally located on the edge of Tweedmouth with excellent commuter links and access to the local coastline

Roseville is a deceptively spacious property that offers far more than first impressions suggest. This detached three-bedroom bungalow also benefits from a fully equipped, self-contained annex set within the rear garden, providing excellent flexibility for multi-generational living, income potential as a letting suite, or a dedicated home working space.

The bungalow itself has been beautifully upgraded, featuring a modern fitted kitchen and the addition of a superb garden room – an ideal year-round space to enjoy the private garden outlook.

With high ceilings throughout and generous proportions, the interiors feel bright and spacious, further enhanced by well-maintained décor and excellent natural light. The adjoining double garage also presents potential for future extension, subject to requirements.

The layout is thoughtfully arranged, with the living areas enjoying a good degree of separation from the bedroom accommodation. A particularly spacious dining hall leads through to a large lounge with French doors opening onto the garden, a well-equipped family bathroom, and a sociable dining kitchen featuring a bay window to the front and a useful adjoining utility area.

The garden room extends directly from the lounge and is a standout feature of the home. Glazed on all sides with seamless access to the garden, it provides the perfect setting for family gatherings or quiet enjoyment of the peaceful surroundings.

An internal hallway leads to the bedroom wing, which offers three well-proportioned double bedrooms, two of which benefit from excellent built-in storage, along with an additional wheelchair-friendly shower room.

The beautifully maintained landscaped gardens have been carefully designed to provide year-round colour and interest, with paved pathways winding through neatly kept lawns, established planting beds and borders, and a charming wildlife pond.

Tucked away in the corner of the rear garden is the fully self-contained annex, complete with an open-plan living area, kitchenette, and wet room. Bi-fold doors open directly onto the garden, enhancing the sense of space and connection to the outdoors. Currently used for storage, this versatile building offers exceptional potential for a variety of uses.
