\*\*\*AVAILABLE NOW!\*\*\* Newton Fallowell are delighted to present to the market this immaculately presented three bedroom, three storey townhouse situated in the heart of Stamford, only a five minute walk from the town centre, the meadows and Burghley Park and barely a stones throw from the train station. The property benefits from a spacious living room, brand new fitted kitchen, three piece family bathroom, low maintenance rear garden, driveway and integral garage. The property has also just been completely re-floored and re-decorated.

The property is arranged over three floors, which you first enter via the ground floor into the entrance hall with stairs leading to the first floor. The first floor landing connects the large, light living/dining room to the separate w/c and the brand new fitted kitchen which features a wealth of units, worktops and some integrated appliances. To the second and final floor, the landing connects all three bedrooms with the family bathroom. Bedroom one is an excellently sized double and benefits from large integrated wardrobes, whilst the second bedroom is a small double and the third a single, providing extremely flexible accommodation.

Externally, a block paved driveway for two vehicles sits to the front of the property and abuts the integrated single garage, providing ample space, either for a car or for extra storage. To the side of the property, a passageway leads through to the gated entrance into the south west facing rear garden, which is mainly laid to low maintenance patio, with mature borders. A door also leads back into the garage. Contact Newton Fallowell, Stamford, to arrange your viewing!
