

Long Lane, Queensbury, Asking Price £280,000

This three-bedroom, stone-built semi-detached home is located in a highly sought-after position on the outskirts of Queensbury Village. The area is well known for its excellent range of local shops, amenities, and well-regarded primary and secondary schools, making it a popular choice for families and professionals.

The house offers excellent potential for extension (subject to the necessary planning permissions) but requires a program of modernisation. Several rooms need renovation to bring the property up to a comfortable living standard. This creates a great opportunity for buyers to refurbish the property and shape it into a home suited to their own style and needs. Outside, the property benefits from a rear garden and a driveway providing ample off-street parking, which leads to a large double garage.

The property is offered with vacant possession and no onward chain, helping to make the buying process more straightforward. A superb project property with strong potential when modernised.
