OLD MILL ROAD, HUNTON BRIDGE, WD4

A rare chance to own one of the country's few remaining mill houses. Parts of The Old Mill House are over 200 years old, with the site believed to date back to Roman times. Accessed via wrought iron gates beside a castellated gatehouse and brick remnants of the old mill—including two mill wheels—the home opens to a large paved courtyard. Owned and carefully improved over 30 years, the house retains abundant period charm across three floors. Many rooms are double or triple aspect with window seats, and the reception spaces feature French doors to the garden and terrace. The drawing room offers a baronial feel with oak panelling, beams, and a carved stone fireplace. A kitchen with Aga opens onto a terrace overlooking the River Gade. Upstairs, the master suite boasts a balcony and fireplace, while the top floor offers ideal guest or au pair space. A detached, refurbished cottage includes two bedrooms, kitchen, bathroom, and living room, with a ground floor garage and parking for three cars.
