General Description

A rare and exciting opportunity to purchase a building plot with planning granted for two detached four-bedroom executive homes, located on the most sought-after road of Brascote Lane in the village of Newbold Verdon. The village is well equipped with amenities to include a doctors surgery, pharmacy, a primary school, grocery store and a selection of eateries and lies approximately 4 miles from the historic town of Market Bosworth and 10 miles from the city of Leicester.

Full planning permission has been granted under application number: 19/00600/FUL for the build of two new family residences positioned on good sized plots with countryside views.

The properties would stand side by side within its plot with generous driveway providing parking for three vehicles, large east facing gardens laid to lawn, boasting views to the side and rear across open countryside. The proposed plans extend to a floor area of circa 1,377 square feet excluding the single integrated garage, with accommodation set across two floors to comprise: Entrance hall, sitting room, large open plan kitchen living room, utility and W/C to the ground floor. Upstairs are four bedrooms, two bathrooms all positioned off the landing. Please note the plans for the internal layout can be changed.

It is our opinion that the finished property will have an end value in the region of between £450,000 and £475,000 depending upon final specifications and finishes.
