On the ground floor, the property opens into a central entrance hall, which provides access to all key rooms. To the left of the entrance hall is the main living room, a dual-aspect room featuring a bay window to the front, French doors opening out to the courtyard, and a feature fireplace with panelling that cleverly conceals floor-to-ceiling storage and a TV point.

To the right of the entrance hall is the sitting room, offering a window to the front and an archway that flows into the kitchen/diner, creating a seamless connection between the living and kitchen spaces. The kitchen/diner is the heart of the home, offering a well-equipped, stylish space with a comprehensive range of Shaker-style units under granite worktops. An oak-topped kitchen island with a breakfast bar enhances the space. A variety of integrated appliances and a range-style cooker add to the kitchen's appeal. The kitchen area flows into a light and airy dining area, which has a door leading to the side of the property and French doors opening to the courtyard, creating an excellent flow for indoor-outdoor living. At the end of the dining kitchen is the utility room, which offers additional storage, space for white goods, and access to the downstairs cloakroom.

Upstairs, the property features three generous bedrooms, with the main bedroom suite offering a particularly impressive layout including a study and a dressing area before entering the spacious bedroom, which offers ample space for additional free-standing furniture and enjoys two windows that flood the room with natural light. A stylish en suite shower room serves the main bedroom suite. The second bedroom is generously sized, featuring a feature fireplace, windows to two elevations providing excellent natural light, and built-in wardrobes offering plenty of storage. The third bedroom sits centrally and enjoys a window overlooking the courtyard. This room is served by the family bathroom, which comprises a panelled bath, wash hand basin, and a low flush lavatory.

Gardens and land:

Externally, the property benefits from three distinct areas, offering both privacy and opportunities for outdoor entertaining. The front garden is well-established, with a gravelled driveway providing off-road parking and access to a single garage. The garden is laid to lawn, with an array of mature borders and specimen trees enhancing its charm. There is also a second gravelled driveway, accessible from Peppers Lane, providing additional off-road parking for two cars.

The rear garden has been hard-landscaped with raised borders, fencing, and specimen trees, creating a low-maintenance and incredibly private space for outdoor entertaining. This area can be accessed directly from the dining kitchen and the main sitting room.

The side garden offers a smaller yet highly functional space, featuring a new outdoor office, ideal for remote working, a creative studio, or a quiet retreat. Positioned to make the most of the garden's peaceful setting, it provides both privacy and a dedicated area for work or hobbies.
