- Excellent multigenerational potential
- Three versatile reception rooms
- Spacious contemporary kitchen
- Two bedrooms on each floor
- Excellent workshop and storage space
- Mature wrap-around gardens with privacy
- EPC Rating D / Council Tax Band F / Freehold

Alexanders Estate Agents are delighted to offer this substantial and versatile four-bedroom home, ideally positioned on Church Road within the sought-after village of Wanlip. Extending to approximately 2,185 square feet, the property offers generous and adaptable accommodation arranged over two floors, with an unusually flexible layout and excellent provision for both everyday living and entertaining.

A particular feature is the arrangement of bedrooms and bathroom facilities across both floors, including two ground-floor bedrooms, a bathroom and separate walk-in shower room, offering considerable flexibility for multigenerational living or those requiring accommodation on one level. The property also benefits from three separate reception rooms, a well-appointed kitchen with separate utility room and first-floor en suite facilities, creating a home that can adapt readily to changing needs.

Externally, there is a substantial double garage with additional store, providing excellent parking, storage and workshop potential, while the property's village setting offers a peaceful environment with convenient access to Leicester, Syston and the wider Leicestershire area. With Syston railway station and the A46 also readily accessible, Church Road provides a particularly well-connected village location.

Accommodation:

The property is approached via a welcoming entrance hall, providing access to the principal ground-floor accommodation and stairs rising to the first floor. There are three well-proportioned reception rooms comprising a generous living room, separate sitting room and dining room, providing a versatile arrangement for both everyday living and entertaining.

The kitchen provides a practical and well-appointed space, complemented by a separate utility room. The ground floor also provides two bedrooms, together with a bathroom and separate walk-in shower room, creating a particularly useful arrangement for those requiring accommodation on one level and offering genuine flexibility for multigenerational living.

To the first floor are two further bedrooms, together with a dressing room and en suite facilities. The bedrooms are well proportioned, while the dressing room provides useful additional space with scope for a variety of uses.

Gardens and land:

The property benefits from a generous frontage with driveway parking leading to the substantial double garage. The detached garage provides considerably more than straightforward parking, with an additional store offering valuable space for hobbies, workshop use and general storage.

The grounds provide a practical setting surrounding the property, with the extensive outbuilding and parking provision being a particular advantage rarely found alongside accommodation of this scale.

Location:

Church Road is situated within the popular village of Wanlip, a peaceful Leicestershire village located just north of Leicester. The village enjoys a pleasant rural setting while remaining conveniently positioned for Leicester and the neighbouring town of Syston, with a range of everyday amenities, shops, schools and recreational facilities available within easy reach.

Syston railway station provides regular rail connections, while the nearby A46 gives straightforward access to the wider road network and surrounding towns. Leicester city centre is also readily accessible, offering an extensive range of shopping, leisure, cultural and educational facilities.

Wanlip therefore combines the tranquillity of village living with excellent accessibility, making Church Road a particularly convenient location for those seeking substantial accommodation within easy reach of Leicester and the wider Leicestershire area.

Method of Sale:

The property is offered for sale by Private Treaty.

Measurements:

Every care has been taken to reflect the true dimensions of this property, but they should be treated as approximate and for general guidance only.
