There is also a versatile family room with vaulted ceilings and an integrated kitchen. Finally there is underfloor heating throughout the ground floor.

To the first floor, the principal bedroom benefits from a dressing room and a generous six-piece bathroom, complete with his and hers sinks, bidet, W.C., separate shower cubicle, and bathtub. A separate utility room is also located on this level. The second floor offers two further double bedrooms, each with its own dressing area and serviced by en-suite shower rooms.

The fully enclosed rear garden is mainly laid to lawn and bordered by mature shrubs, with a patio area providing additional outdoor space. To the front of the property, there is a carport and an additional parking space.
