Finsbury Way Handforth SK9 3AQ

Offers In Excess Of £400,000

Jordan Fishwick are pleased to introduce this wonderful four double bedroom townhouse situated within an extremely popular location, just a short stroll from central Handforth village with its various shops, restaurants and the train station alike. On entry you are welcomed by a spacious entrance hall that sets the tone for the rest of the home. This leads into a reception room - a flexible additional room that can serve as a playroom, guest space, large study, or utility room, offering versatile living to suit modern family needs - also easily converted back into a garage. This level also benefits from a convenient shower room and a well-proportioned open plan kitchen diner, complete with integrated appliances and a kitchen island. French doors open into a bright and airy conservatory, which further leads onto the enclosed low maintenance rear garden. Ascending to the first floor, the heart of the home reveals itself in a bright and expansive bedroom which is currently being used as a living space, with large windows that flood the space with natural light. Ideal for both formal and informal entertaining or even to be used as a bedroom. The master bedroom on this floor features fitted wardrobes and a private ensuite shower room. The top floor comprises two generously sized bedrooms, both filled with natural light and offering ample storage space. A stylish family bathroom serves this level. The entire home is neutrally decorated throughout, providing a clean, contemporary finish. Externally, the property boasts a private low maintenance rear garden perfect for outdoor relaxation or family gatherings and a driveway providing off-road parking. The rear aspect of the home enjoys tranquil views over the Wilmslow Angling Club lake, offering both privacy and picturesque scenery.

- Townhouse
- Stunning Views Over Lake
- Close Proximity To Handforth Train Station
- No Chain
- Four Double Bedrooms
- Private rear garden
- Off road parking

Energy Efficiency Rating		
	Current	Potential
