WHAT'S GREAT?

Nestled on the ever-popular Caxton Street in the heart of Market Harborough, this elegant mid-terrace Victorian home offers a wonderful blend of period charm and modern convenience. Perfectly positioned just a stones throw from the town centre and within easy walking distance of the train station, the location couldn't be better for commuters or those who enjoy having shops, cafes, and local amenities right on their doorstep.

Stepping inside, you're welcomed by a beautifully presented lounge and dining area, full of warmth and character. High ceilings, original cornicing, and a classic bay window allow natural light to flood the space, creating an inviting atmosphere ideal for both everyday living and entertaining guests. The room flows through to a stylish and functional kitchen, which in turn

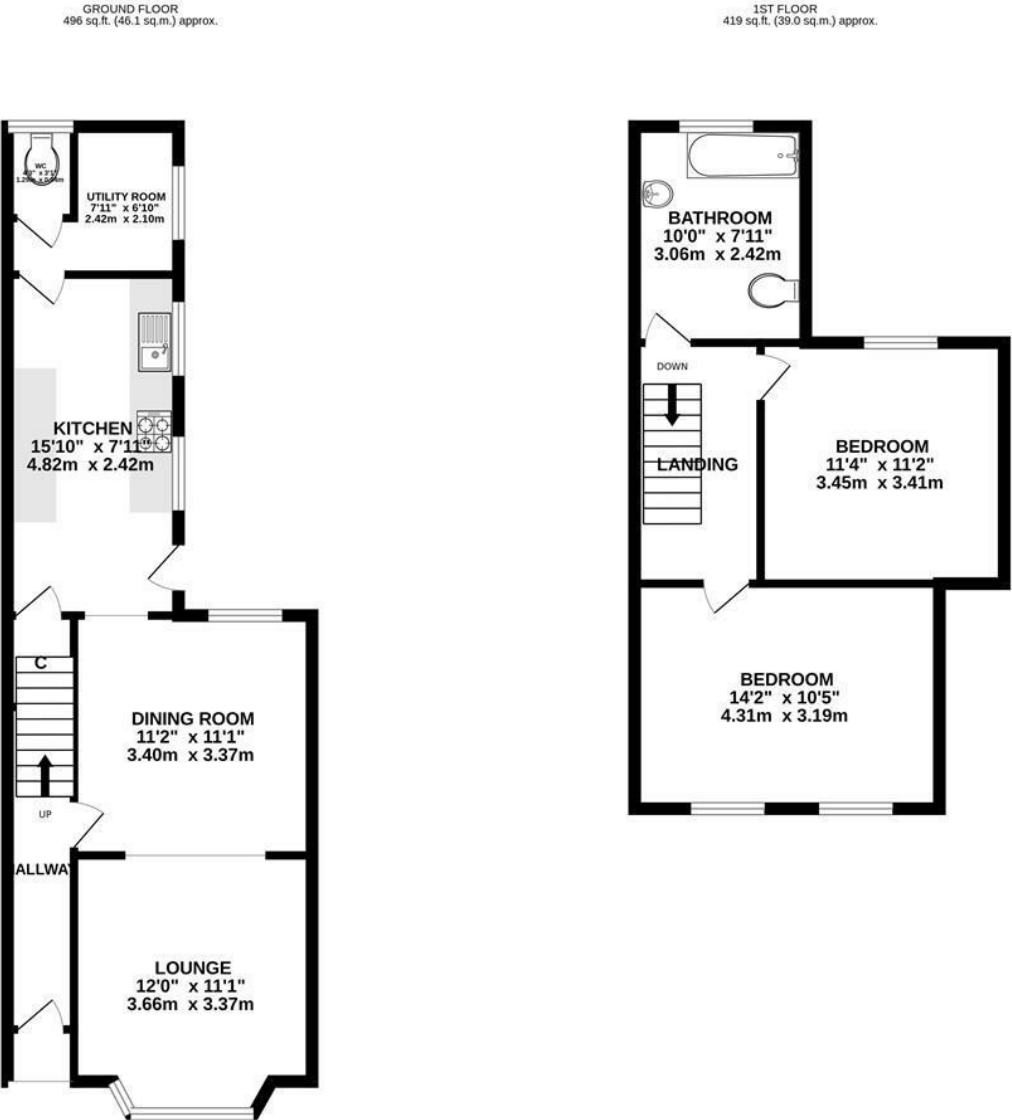

opens out to a private, landscaped garden—a lovely spot to enjoy a morning coffee or summer evening with friends.

Upstairs, the property continues to impress with two generously proportioned double bedrooms, both offering a calm and comfortable retreat. The bathroom is well-appointed, combining traditional touches with contemporary finishes to provide a stylish and practical space.

With its tasteful presentation, attractive period details, and unbeatable location on a sought-after street, this charming home represents a fantastic opportunity—whether you're a first-time buyer, professional couple, or someone looking to downsize without compromising on character or convenience. Early viewing is highly recommended.
