WHAT'S GREAT?

Positioned on the edge of the highly desirable village of Clipston, this impressive four/five-bedroom detached family residence enjoys truly exceptional, far-reaching views across open countryside. Thoughtfully refurbished to a high standard throughout, the property offers a perfect balance of spacious living areas and well-proportioned bedrooms, making it ideally suited to modern family life.

The light-filled interior benefits from double glazing and oil-fired central heating, with quality finishes including oak flooring across much of the ground floor.

A generous entrance hall leads to a ground floor guest bedroom (or fifth bedroom) and a contemporary cloakroom/WC, converted from the former garage. The elegant sitting room features a marble hearth fireplace and full-length sliding doors opening onto the rear garden, perfectly framing the surrounding countryside. A separate dining room connects seamlessly to the living space.

The well-appointed kitchen/dining room provides an excellent setting for both everyday living and entertaining. Upstairs, the property offers well-proportioned bedrooms, including a principal suite with en-suite facilities.

Landscaped gardens to the front and rear complement the rural setting, while extensive off-road parking adds practicality.

Clipston is a charming village on the Leicestershire/Northamptonshire border, offering a pub, church, primary school, and scenic countryside walks. Nearby Market Harborough provides a wide range of amenities and a direct rail service to London St Pancras (approx. one hour). Excellent road links via the A14 and access to well-regarded schools further enhance the location.
