WHAT'S GREAT?

Nestled in one of Market Harborough's most desirable locations, this beautifully refurbished two-bedroom detached bungalow combines modern comfort with timeless charm, offering an ideal retreat for those seeking stylish single-level living. Thoughtfully updated in recent years, it features a sleek refitted kitchen and a contemporary bathroom, while also offering exciting potential to extend (subject to planning) and truly make it your own.

Step inside through the characterful terrazzo-tiled porch and into a light-filled home. The spacious sitting room is bathed in natural light from a striking picture window, with additional side windows framing the period fireplace – an elegant focal point for cosy evenings. The kitchen impresses with chic fitted units, integrated appliances, and generous storage, creating a seamless blend of function and style.

Both bedrooms are well proportioned, with the rear room opening directly onto the garden via French doors – ideal as a guest bedroom, dining space, or home office. The bathroom offers a modern three-piece suite, complete with vanity storage and a shower over bath.

Outside, the property delights with landscaped gardens to the front and rear, mature borders, fruit trees, and multiple terraces for al fresco dining and entertaining. A private driveway, garage with power, and additional storage complete the picture.

Just moments from the vibrant town centre, rail station, and countryside walks, this is a rare opportunity to enjoy the very best of Market Harborough life.

SELLER'S SECRET

"What we've loved most about this home is the way the sunlight pours through the picture window in the sitting room – it's the perfect spot to enjoy a quiet morning coffee. In summer, we spend our evenings in the garden surrounded by the fruit trees; it feels like a little private oasis just a short stroll from town."

Why we like it....

This home perfectly balances charm and modern comfort. The light-filled living spaces, landscaped gardens, and flexible layout make it ideal for couples, downsizers, or anyone looking for stylish single-level living. With scope to extend and such a prime location near both countryside walks and the town centre, it's a rare find in Market Harborough.
