WHAT'S GREAT?

Occupying an idyllic position within the heart of the picturesque village of Dingley, this delightful two-bedroom semi-detached cottage seamlessly blends character and charm with thoughtfully updated, energy-efficient living. Enjoying beautiful countryside views and a peaceful village setting, the property presents an exceptional opportunity for those seeking a quintessential country home within easy reach of Market Harborough.

The accommodation is beautifully presented throughout, with the inviting living room offering warmth and character. The wood-burning stove forms an attractive focal point, creating a cosy ambience and providing the perfect setting in which to relax and unwind. The heart of the home is the stylish refitted kitchen, thoughtfully designed with both practicality and contemporary living in mind.

The first floor offers two generously proportioned bedrooms, served by a contemporary family bathroom. Completing the accommodation is a versatile loft space (approximately 9ft x 15ft) with restricted head height, providing a versatile potential space.

Externally, the property enjoys a charming enclosed courtyard garden, offering a private and low-maintenance space for outdoor dining and entertaining.

The property has been significantly enhanced with a range of eco-conscious improvements, including a newly installed air source heat pump, solar panels and an electric vehicle charging point, combining modern convenience with lower running costs and improved energy efficiency.

Dingley is a highly desirable village renowned for its attractive rural setting and strong sense of community, surrounded by rolling countryside and scenic walks. Despite its peaceful location, the village is conveniently situated just a short drive from Market Harborough, offering an excellent range of shops, restaurants leisure facilities and a mainline railway station with direct services to London St Pancras.

AT A GLANCE...

Living room with wood burner

Refitted kitchen

Two bedrooms and attic room

Stylish family bathroom

Enclosed, courtyard garden

On street parking

SELLER'S SECRET

We have thoroughly enjoyed living here. During our time at the property, we have invested in a number of significant improvements to enhance both its comfort and energy efficiency, including the installation of an air source heat pump, solar panels and an electric vehicle charging point. These upgrades have made the home more economical to run while ensuring it is well-equipped for modern living.

Why we like it....

A charming village cottage offering the perfect balance of period character, modern comforts and sustainable living, making it an ideal home for professionals, downsizers or those looking to embrace a peaceful countryside lifestyle.
