SELLER'S SECRET

"One of our favourite things about living here has been the peaceful outlook — having that green space right outside the front door makes it feel open and airy, and it's great for a morning coffee or evening stroll. The bi-fold doors have really transformed the way we use the house too — in summer, the garden feels like an extension of the living space."

Why we like it....

We love how this home strikes the perfect balance between stylish, modern living and a warm, homely feel. The open-plan layout, media wall, and bi-fold doors give it that 'wow' factor, but it's also practical and thoughtfully designed.
