WHAT'S GREAT?

Located on Western Avenue in the sought-after market town of Market Harborough, this brand-new development of nine high-specification apartments offers stylish and contemporary living in a convenient setting.

This second-floor apartment, extending to approximately 84 sq m, enjoys an abundance of natural light thanks to its stunning Velux windows, which create a bright and airy living environment throughout. The property offers an excellent alternative to traditional apartment living, combining generous internal space with a modern, well-designed layout.

The heart of the home is a spacious open-plan kitchen, living and dining area, ideal for both everyday living and entertaining. The contemporary kitchen is fitted with an induction hob and integrated appliances, delivering a sleek and practical finish.

There are two well-proportioned bedrooms and a stylish bathroom featuring underfloor heating, providing added comfort and a high-quality feel. The apartment has been thoughtfully

designed to suit a range of tenants, including professionals and those seeking a premium rental home.

Additional benefits include access to a well-maintained communal garden, off-road parking, and the reassurance of a property built by Sound Construction, a well-regarded local developer known for quality craftsmanship.

Early viewing is highly recommended to fully appreciate the space, natural light, and quality of finish on offer.
