WHAT'S GREAT?

We are delighted to present this beautifully renovated, mature three-bedroom semi-detached home, brought to market in immaculate, turn-key condition by the current owners. Every detail has been thoughtfully upgraded, blending contemporary style with charming character features throughout.

You are greeted by high ceilings, a bay-fronted lounge with an open fireplace and a bright, welcoming feel. The heart of the home is the brand-new, stylish kitchen with great space for dining plus French doors lead out to the generous rear garden.

A standout feature is the versatile outhouse with electricity and plumbing, offering fantastic potential to be converted into a home office, utility room, cloakroom, or even as part of a kitchen extension—tailor the space to suit your needs.

Upstairs, you'll find three bedrooms and a recently refitted modern family bathroom with a sleek three-piece suite.

Outside, the impressive rear garden is well balanced with lawn, patio, established shrubs

and a dedicated vegetable area. Gated side access leads to the front driveway along with the single garage, offering off-road parking.

Located within walking distance of the high street, local schools and a range of amenities. This is a wonderful opportunity to own a home that's full of character and ready to move straight into.
