AT A GLANCE...

Spacious lounge/diner

Kitchen/breakfast room

Three double bedrooms

Cloakroom, ensuite & family bathroom

Low maintenance rear garden

Off road parking

WHAT'S GREAT?

Impressive in size and beautifully presented throughout, this three-storey end-of-terrace townhouse offers three double bedrooms, off-road parking and fantastic walking routes to Rushden Lakes. Offered to the market with no onward chain, this is a superb home ready to move straight into.

The entrance hall provides access to all ground floor accommodation, including the kitchen with room for a breakfast table. To the rear of the property is a generous lounge/diner with French doors opening onto the garden. One of the features we like about this home is the privacy aspect to the rear, which is sometimes a tough ask on a modern development. Completing the ground floor is useful understairs storage and a convenient cloakroom.

The first floor offers two well-proportioned double bedrooms alongside a spacious family bathroom. A separate study area leads to the staircase rising to the master bedroom on the second floor. The built-in wardrobe space is exceptionally generous - almost walk-in in size - and is further complemented by additional eaves storage, making practicality a real feature

of this home. The top floor is completed by an ensuite shower room.

Outside, the rear garden has been thoughtfully landscaped with a low-maintenance design, providing seating space and steps leading down to a tucked-away area currently used for a shed. Gated rear access leads directly to the off road parking.

Ideally situated close to local amenities, schools, and excellent dog walking routes right on the doorstep, this is a fantastic family home in a highly convenient location.

SELLER'S SECRET

I've loved how spacious and versatile the house feels across all three floors, especially as I was downsizing when I moved here. The top-floor main bedroom has incredible storage, and when I first viewed the property it virtually ticked every box I was looking for. The garden also feels wonderfully private it's the perfect spot to sit and enjoy a coffee.

Why we like it....

A huge feature of this home is the beautiful walks to Rushden Lakes. It's a beautifully presented townhouse offering generous proportions throughout, excellent storage, and a layout that perfectly suits modern family living.
