This well presented three-bedroom home is welcomed to the market with highly motivated vendors who have already found their onward purchase. Well maintained and tastefully updated throughout, the property is offered in excellent decorative order and is ready to move into.

A standout feature of this home is the significantly larger-than-average garage, offering excellent storage, workshop space, or secure parking a rare benefit within this development.

SELLER'S SECRET

We have loved living here since the house was first built. Over the past 12 years, it has been a truly happy home where we've made so many wonderful memories. Now, after more than a decade, we're ready for our next chapter and have found the perfect property to begin it.

Why we like it....

One of the things we've always loved about this home is its excellent condition, meaning it's ready for the new owners to move straight in and enjoy. A real standout feature is the garage, which is both longer and wider than average, providing an incredibly versatile space. Whether it's used for secure parking, a workshop, extra storage, or even a home gym, it's a fantastic and highly practical addition to the property.
