SELLER'S SECRET

we originally brought our home on Lea Road as first time buyers, thinking we would only be here a few years but loved the it so much we ended up staying for 11 years.

The things we love are that our living space downstairs has lots of natural light, we have a brilliant sunny garden which is not overlooked despite being a terraced house and in the summer we can easily sit outside until the sun goes down. We also love that we can easily access everything we need without needing to use the car with all the amenities Abington and the Wellingborough Road within a ten minute walk.

Why we like it....

A superb opportunity for first-time buyers! This delightful home blends period charm with modern convenience, featuring beautiful original fireplaces and a handy downstairs WC.

Early Viewing is highly advised.
