SELLER'S SECRET

We wanted to create a family home that is completely different to others on the estate. We loved the location and saw great potential.

It was a fantastic journey renovating and designing our home. However its time for our new adventure, moving closer to our sons school.

We hope the next buyers enjoy the house as much as we have!

Why we like it....

Full renovations & smart home features where completed in 2018. The property is truly a one off, is finished to an extremely high specification and must be seen to be appreciated!

There is approved planning permission to build a detached double garage if required.
