WHAT'S GREAT?

Situated just a stone's throw from Northampton Town Centre and Northampton General Hospital, this beautifully presented and recently refurbished two-bedroom home offers stylish, spacious living in an ultra-convenient location.

The property features two generous double bedrooms and a large, modern four-piece bathroom suite. The spacious open-plan lounge and dining area is perfect for relaxing or entertaining, and leads through to a contemporary kitchen. One of the standout features is the converted cellar, currently used as a cinema room — a fantastic bonus space for movie nights, gaming, or even a home office.

To the rear, you'll find an enclosed, low-maintenance garden offering a good degree of privacy — ideal for outdoor dining or simply unwinding in the sun. Permit parking is available for residents, adding convenience in this central location.

Finished to a high standard throughout, this home is ideal for first-time buyers, professionals

working at the hospital, or investors looking for a turn-key rental in a sought-after area. With both the town centre and major amenities within easy walking distance, you'll enjoy the best of town living with everything right on your doorstep.
