WHAT'S GREAT?

Situated on Northampton Road in Wellingborough, this exquisite two-bedroom first-floor apartment is a remarkable find within a beautifully converted Victorian factory. The property boasts an abundance of natural light and impressive high ceilings, creating a spacious and airy atmosphere that is both inviting and stylish.

The current owners have undertaken a meticulous refurbishment, ensuring that every detail contributes to a high-quality living experience. The apartment features crisp white walls that contrast elegantly with the darker wood-effect LVT flooring throughout most of the space. The main bedroom is particularly noteworthy, adorned with newly laid soft carpeting that adds a touch of luxury underfoot.

The kitchen has been thoughtfully redesigned with bespoke units that maximise storage, and it comes fully equipped with modern appliances, including a gas hob, filter hood, electric oven, integrated dishwasher, and an American-style fridge/freezer. The bathroom has also been tastefully upgraded, featuring Karndean

flooring, a rainfall shower over the bath, and a stylish vanity storage unit with a designer sink.

Additional highlights of this property include gas radiator central heating and UPVC double-glazed windows, ensuring comfort and energy efficiency. Residents will benefit from an allocated parking space in the communal car park, with unrestricted on-street parking and public EV charging options available nearby.

Conveniently located within walking distance of the town centre, local shops—including Morrisons—and schools, this apartment is ideal for families and professionals alike. For those commuting, Wellingborough railway station offers swift access to London St Pancras in approximately fifty-five minutes. This property truly represents a perfect blend of modern living and historical charm, making it an excellent choice for your next home.
