SELLER'S SECRET

We found a cache of art work in the loft from a former local artist, Mr Verow. This is now part of the house and will be staying with the property. You're not just buying this house but the history too.

Why we like it....

Insulated from the road by flora & fauna, as soon as you entre the driveway you are transported to a property with private feel to it. Having restored some the period features and open living space over looking the garden, viewings come highly recommended.
