SELLER'S SECRET

We choose this specific plot for two reasons. The first being the open space to the front that allows a view over the green space. Secondly the versatility and convenience of the large rooms and layout. Two features I'm sure the next lucky owner will also appreciate.

Why we like it....

This property is kept immaculately by the current owners. They have created a warm and inviting space that offers everyone that walks in a feeling of calm and homeliness that you will only want to replicate when you make this property your new home.
