WHAT'S GREAT?

Nestled in the heart of Oxford Street, Wellingborough, this characterful, grade II listed, 2 bedroom+ house is a true gem waiting to be discovered. As you step inside, you are greeted by a hallway adorned with high gloss laminate flooring, leading you to a charming dining room with French doors that open up to a delightful lounge area.

The Kitchen is fully fitted with grey gloss wall and base units with a contemporary white marbled effect work surface over and added comfort of under floor heating. The adjoining utility room has space and plumbing to accommodate the washing machine and tumble dryer.

This semi-detached property offers flexible accommodation, perfect for a growing family or those who love to entertain. The first floor, accessible via a staircase, boasts two double bedrooms along with the luxurious contemporary 4-piece bathroom is a sanctuary in itself, featuring a stylish slipper bath and a shower enclosure for those relaxing evenings after a long day.

The second floor offers a potential subject to planning permission of a third double bedroom and a study with roof light, each exuding a unique charm despite some restricted head height which also applies to the stairwell access.

The property benefits from double glazing and gas fired central heating via radiators for all year around comfort.

The garden is highly private, offering a lawn area and a patio, with two outside store barns providing storage and outdoor w.c.

While the current parking arrangements are on street, we understand that planning permission was once sought to provide off road parking to the front courtyard garden, although this may require a resubmission.

With its prime location and versatile living spaces, this property on Oxford Street is not just a house, but a place where memories are made and cherished. Don't miss the opportunity to make this house your home.
