Situated in this highly sought after location is this stunning 1930's property. The property has been lovingly refurbished and extended to create a beautiful and spacious family home. Benefitting from a combination of original features and modern fittings this property offers the best of old and new. Throughout the property you will be greeted with an array of period features to include open cast iron and open fires, original stripped wooden floors and doors plus built in cupboards. The bay fronted lounge features a cast iron open fire as the centre piece creating a cosy family area. There is access to the dining room again which offers further entertaining space plus a further open fire. The dining area is open plan to the rear extension which with its vaulted ceilings hosts the hand-built Shaker style fitted kitchen. There is a selection of built in appliances and in addition to the sky light windows there are French doors giving access to the rear garden and allowing the natural light to stream through. The kitchen also allows access to the side extension which incorporates a utility area, W/c and shower rooms plus access into the garage and further access to the rear garden.

To the first floor there are two large double bedrooms beautifully decorated with built in wardrobe space. There is also a refitted three-piece shower room. All of the rooms are offered in pristine decorative order throughout.

Outside to the front is a hard standing driveway offering parking for two cars leading to a single garage and privacy is given by a hedge grow frontage. The stunning and larger than average rear garden has been landscaped to create a gardeners paradise offering a combination of lawned areas, mature trees and flower beds. In addition, there is a slab patio area enjoying the views across the garden.
