WHAT'S GREAT?

Situated on a small and exclusive development of only four properties, this beautifully presented three-bedroom detached home offers spacious and versatile living, having been thoughtfully upgraded and reconfigured by the current owner.

Upon entering, you are greeted by a welcoming entrance hall which provides access to all ground floor rooms. The impressive kitchen/dining/family room spans the full depth of the property and enjoys a dual-aspect outlook, flooding the space with natural light. This versatile room offers ample space for a dining table, a cosy seating area, and a modern fitted kitchen with integrated appliances. French doors open directly onto the rear garden, while a separate utility room adds further practicality.

The dual-aspect living room is equally spacious, stretching from front to back, and features a log burner as well as French doors leading to the garden – the perfect space for relaxing or entertaining. A well-appointed W/C completes the ground floor.

Upstairs, you will find three generous double bedrooms. The master bedroom was previously two rooms and has now been converted into a stunning, double bedroom complete with its own oversized en-suite shower room. The second bedroom, originally the master, is also a fantastic size and benefits from its own en-suite. The third double bedroom is equally well-proportioned, making it ideal for guests or family members. A family bathroom completes the top floor.

Externally, the rear garden offers a high degree of privacy and is beautifully landscaped with a slabbed walkway, a decked seating area, and a lawn. There is also gated side access and a pedestrian door leading directly into the single garage. The property further benefits from off-road parking.

This home offers the footprint and proportions of a four-bedroom property, yet has been adapted to create an exceptional three-bedroom home with generous living spaces throughout – ideal for families or those who love to entertain.
