WHAT'S GREAT?

This impressive, stone-built, four double bedroom home was constructed to an exceptional standard by the highly regarded and reputable builders, Seagrave Developments. Having been lovingly occupied and meticulously maintained by the current owners, the property has been further enhanced with the addition of an air source heat pump, solar panels and an electric vehicle (EV) charging point, offering excellent energy efficiency and lower running costs.

Situated in a quiet yet highly accessible Northamptonshire village, this superb family home must be viewed to be fully appreciated. The spacious accommodation comprises an entrance hall, generous dual aspect lounge, a second reception room which is currently used as a home office/playroom and could easily be split into two rooms. An outstanding open-plan kitchen/dining/living space featuring granite worktops and a comprehensive range of integrated appliances and french doors leading to the rear garden. There is also a utility room and a ground floor WC.
