WHAT'S GREAT?

Situated in the sought-after location of Burton Latimer, this well-presented home offers a fantastic blend of space, practicality, and modern living.

Upon entering, you're greeted by a welcoming entrance hall. To the front sits a modern kitchen featuring integrated appliances. The garage has also been partially converted to provide a utility space which has space for an American fridge/freezer and access to the remaining garage. To the rear, the spacious living room flows seamlessly onto the ground floor extension. This bright and versatile space benefits from French doors opening onto the rear garden and Velux windows, generous space for a large dining table. Completing the ground floor is a downstairs W/C, offering flexibility for guest use or multi-generational living.

The first floor provides two spacious double bedrooms, a family bathroom with shower over bath, and a well-proportioned third bedroom.

Externally, the home features a low-maintenance rear garden, ideal for those seeking an easy-care outdoor space while still offering room to enjoy outdoor dining. Further benefits include off-road parking via a block paved driveway and garage space with electric door.

Overall, this is a superb opportunity to acquire a well-located and thoughtfully extended home in a great location - early viewing is highly recommended.
