SELLER'S SECRET

Having owned the property since new (approximately 9 years ago) we have been exceptionally happy here, the house has been superb for us. The time is right for us to move on and have in fact found our next property that we would like to move to once sold, hopefully making things as straight forward as possible for a buyer.

Why we like it....

This property is in superb condition and has been built by a very reputable builder, an exclusive development and in an ideal location for those wanting a slower pace of life but with amenities on your door step still as well as having excellent road links
