WHAT'S GREAT?

An outstanding property which must be viewed!!! Expect to be impressed with not only the size but the presentation of this beautifully refurbished and much larger than expected three bedroom semi detached home which is offered to market with NO CHAIN.

Situated in an ideal location for the Kettering town centre and train station the accommodation on offer is generous both upstairs and down.

Consisting of a huge welcoming hallway with storage cupboard and cloakroom, two very large reception rooms, the lounge to the front benefitting from a bay window and feature fireplace with wood burner and a fabulous brand new high gloss kitchen to the rear with integrated dishwasher, washing machine, oven, hob and extractor.

To the first floor the three bedrooms are all impressive in size and condition with a generous light and bright landing with potential space for a desk to create a work or reading area. A four piece family bathroom completes this floor with corner bath and separate shower cubicle.

Outside to the front there is a courtyard garden with low brick walling with generous and wide side access leading down to the work shop in the rear garden. The garden to the rear is again a lovely size with patio areas, astro turf sections and plenty of established trees and shrubs making this a green and secluded space.
