WHAT'S GREAT?

If you are looking for an outstanding garden and a large three bedroom home in a lovely, bustling and established market town this could be the one!

We are very happy to offer this beautifully presented home to the market for the owners of over 25 years. The space on offer both downstairs and up is considerable and we would urge prospective purchasers to call to view in order to see it in person.

The accommodation on the ground floor comprises of an entrance hall with stairs rising to the first floor, a generous lounge/diner will provide ideal space for relaxing and entertaining, the kitchen is a great size and also has space for a breakfast table and access to the cloakroom (Saniflow system) and finally a bright and light sun room to the rear enjoys stunning views over the

garden.

To the first floor there are three bedrooms, two large double bedrooms and a sizeable single to the rear, a refitted shower room completes this floor.

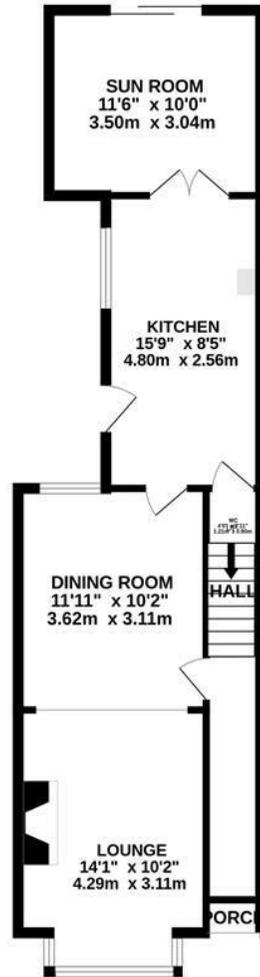

The outside space this property offers has to be mentioned, to the front a courtyard garden encloses the front access and the rear garden is spectacular, beautifully maintained and manicured with numerous Acer trees and similar providing an array of colours and shapes throughout the space creating a wonderful area to enjoy, a standout space that really makes this home.
