WHAT'S GREAT?

Simply stunning, this exceptional residence occupies one of Kettering's most prestigious addresses, having been thoughtfully extended and beautifully modernised to create a truly impressive and versatile family home.

Deceptively spacious, the accommodation flows effortlessly from a welcoming entrance hall into a cosy lounge with wood-burning stove, complemented by a second reception room ideal as a sitting room or sixth bedroom. A generous ground floor bedroom with en-suite and French doors opening onto the garden, along with a stylishly appointed family bathroom, provides excellent flexibility for modern living.

The true heart of the home is the spectacular kitchen — a contemporary showpiece designed for both everyday living and entertaining. Featuring expansive bi-fold doors that create a seamless connection to the garden, this light-filled space boasts high-spec finishes, premium integrated appliances, and flows beautifully into a striking family dining area complete with media wall and a second wood-burning fire.

A spacious utility room with internal access to the garage ensures practicality matches the home's style.

Upstairs, four well-proportioned bedrooms are complemented by a sleek family shower room, while the principal suite enjoys its own elegant en-suite, creating a calm and private retreat.

Outside, the rear garden offers a true sanctuary — a wraparound terrace perfect for entertaining, a hot tub (available by separate negotiation), and steps leading to a generous lawn. To the far end, a stylish timber outbuilding currently serves as a gym, offering excellent versatility.

To the front, a substantial driveway provides ample off-road parking and leads to the garage.

A home of exceptional quality, space, and lifestyle appeal — early viewing is highly recommended via Oscar James.
