WHAT'S GREAT?

A stunning and extended FOUR BEDROOM DETACHED home situated in a cul de sac position within the very popular Ise Lodge estate which has an abundance of local shops, takeaway's, public house, community centre and schooling.

The one and only owners of this home present it extremely well and have made some lovely improvements internally to give this the real wow factor on the ground floor especially.

In brief, on the ground floor this home provides an entrance hall with cloakroom and storage cupboard, a formal lounge to the front, a lovely and well created sun room and a superb extended kitchen/diner/family room to the rear that really make this home stand out from the rest. To the first floor there are four bedrooms, the master of which benefits from an ensuite shower room and fitted storage, the second bedroom benefits from fitted wardrobes also and a family bathroom services the rest.

Benefits of the extension consists of a fully refitted kitchen with numerous storage

cupboards and systems to provide an incredible amount of useful space within the kitchen, lengthy work tops, integrated dish washer, double oven, steamer oven, instant hot water tap and water softener, air conditioning, alarm and spot lights to ceiling.

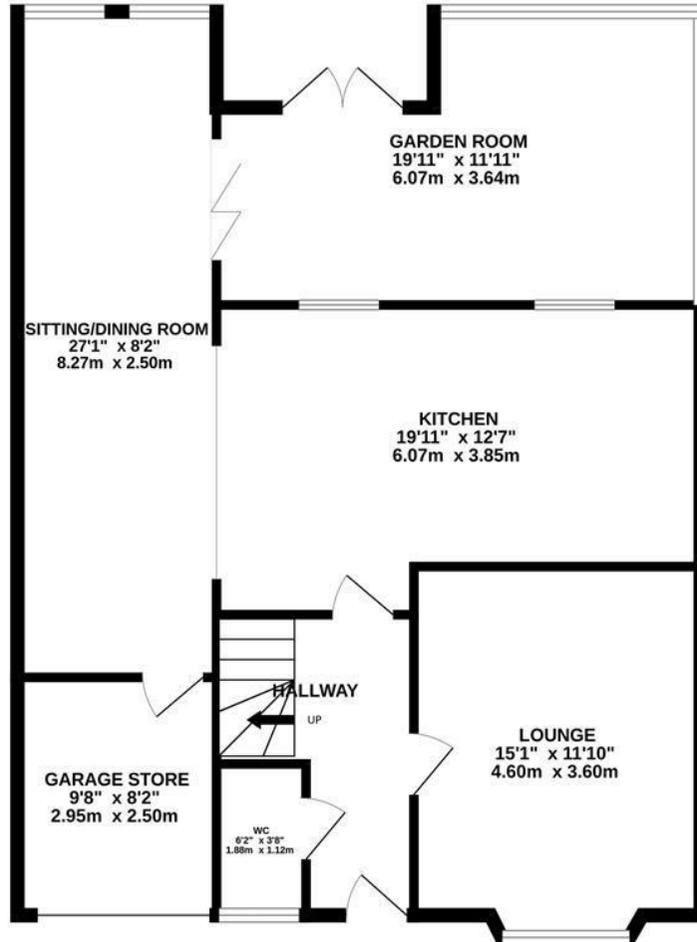

Outside both the frontage and rear are beautifully kept, block paving to the front provides off road parking for two side by side, with a single garage with electric remote controlled door, low maintenance gravelled area for planting or pots, gated side access leads to the rear garden which is again well maintained, laid to lawn with patio area, established trees, shrubs and flower beds.
