SELLER'S SECRET

Having lived in the property since it was first built, I have thoughtfully cared for and enhanced this home over the years to create a space that is both practical and welcoming. One of the standout features is the beautiful south-facing garden — designed to be low maintenance and my favourite place for enjoying a quiet coffee in the morning sunshine.

Inside, its secret is the superb storage throughout, which as we all know is essential with today's living.

It will be incredibly hard to leave a home filled with so many memories, but the time feels right for a new chapter, and I am excited to move on to pastures new.

Why we like it....

This property has ample space for all to enjoy. Great location, tucked away into the corner with plenty of parking. A must view home, no question!
