SELLER'S SECRET

Over the years I have been very happy here and especially love the garden, it is such a pleasure to spend time outside, I hope the new owners are very happy here and a great benefit of this peaceful area is the easy access to nature, being next to the Millenium Green and beyond. In addition the closeness to all amenities means not always having to take the car!

Why we like it....

We love this house! So much to appreciate both inside and out.. we very much look forward to showing prospective purchasers around.
