SELLER'S SECRET

We bought this house with the intention of it being our forever home. If it wasn't for our growing family, we wouldn't be considering leaving. Churchill Avenue is full of friendly neighbour's who we now class as friends and will always remain in touch with. The community is great, and we are located close to multiple parks, ideal for small children. We are also a stone's throw away from Redwell School, which is widely considered to be the best Primary School in Wellingborough, making things hassle-free for school drop-offs. There are plenty of routes to explore if you enjoy walking, and we are close to local convenience stores.

Why we like it....

Having been thoughtfully upgraded by the current owners over the years, this attractive home has been reconfigured to create a layout that perfectly suits modern-day living. The improvements have enhanced both the style and functionality of the property, resulting in a welcoming and versatile home.

One of the property's standout features is the beautifully maintained private garden, providing the perfect setting for outdoor entertaining, family gatherings, or simply relaxing with a drink after a long day's work in a peaceful and secluded environment.
