WHAT'S GREAT?

"Ideal Family Home!" Positioned in the highly desirable and ever-popular residential area of Oakley Vale, this beautifully presented detached home combines generous proportions with stylish, modern living!

With the added advantages of a good size, well maintained private garden, garage, and driveway, it offers both comfort and practicality in equal measure.

The welcoming entrance hall sets the tone, leading through to an expansive dual-aspect lounge that spans the full depth of the property. Flooded with natural light from front-facing windows and French doors opening onto the garden, this space is ideal for both relaxed family time and entertaining guests.

At the rear of the home, the standout open-plan kitchen and dining area provides a true hub for daily life. Thoughtfully designed with both functionality and sociability in mind, it offers ample space for cooking, dining, and gathering, with direct garden access enhancing the indoor-outdoor flow. A convenient ground-floor WC completes the layout.

Upstairs, four well-sized bedrooms are arranged off a central landing. The principal bedroom enjoys the benefit of a private en-suite shower room, while the remaining bedrooms are served by a contemporary family bathroom.

Externally, the enclosed rear garden provides a peaceful and private setting—ideal for al fresco dining, play, or relaxation. A garage and driveway ensure ample off-road parking and additional storage, rounding off this impressive home.
