WHAT'S GREAT?

"Extended Excellence"

Oscar James is delighted to present to the market this simply stunning, extended four-bedroom home within the exclusive Lake Drive development, built by the highly regarded Francis Jackson Homes.

Backing onto woodland, the property offers a high degree of privacy within its impressive gardens. Sitting on a large plot with wrap-around rear and side gardens, the outdoor space has been thoughtfully re-designed by the current owners to maximise its potential. Enjoying sunlight throughout the day, the gardens feature multiple lawned and paved areas, making them perfect for families and entertaining.

This high-specification home blends luxury and practicality across a spacious, light-filled layout. At its heart is a striking open-plan kitchen, dining, and living area, enhanced by floor-to-ceiling windows, roof lanterns, integrated Neff appliances, and year-round comfort provided by underfloor heating and air conditioning. This flows seamlessly into the extended area of the

house, creating an incredibly impressive living space. There is also a separate utility and an additional reception room in this area.

The ground floor further benefits from a generous living room with French doors leading to the rear patio, complete with a log burner. Two additional reception rooms are also located on the ground floor — currently utilised as a home office and a playroom. Off the light and airy hallway, you will also find a WC, further storage, and internal access to the double garage.

Upstairs, there are four spacious double bedrooms, three of which feature bespoke fitted wardrobes, with two benefiting from en-suite facilities. Plus a stylish family bathroom, complete with both a bathtub and walk-in shower.

The oversized double garage offers excellent storage and internal access to the home, while the driveway provides additional off-road parking.

This is a rare opportunity to own a truly distinctive home in one of the area's most desirable locations.
