WHAT'S GREAT?

“With views over the Amphitheatre!” Oscar James are delighted to offer to the market this lovely four bedroom semi-detached property, which given the size and space on offer would work incredibly well as a family home.

The property is well situated, just a short distance to a number of amenities such as schools, shops and cafes - and to the front boasts views over the amphitheater and green spaces, making for an excellent setting.

The property has been cleverly re-worked internally to make good use of the space available, to the top floor the shower room and bedroom 4 have been switched over, making for a better sized bedroom to the front. There has also been a part garage conversion on the ground floor creating an extra usable room, currently in double use as a utility room and an office too.

The property hosts 4 good size bedrooms, a shower room, bathroom and a ground floor WC. A spacious kitchen/diner with plentiful storage space and double doors leading to rear

garden. The living room on the 1st floor is a great size, with large windows filling the room with natural light and a lovely view of the green to front.

Being well located and connected within the priors hall park residential area, it is a continent choice for families.

Outside, there is a rear garden area which has been re-landscaped to offer a low maintenance space, a good degree of privacy and plentiful sunlight throughout the day. It also features a summer house too! There is off road parking to the front of the house via the driveway.
