SELLER'S SECRET

We've invested in the house to complete change it, add an extra floor, finish it to a high spec. and also have added the outbuilding which comes with electric and water connected too. Have a bathroom for each bedroom is something we've found to be very convenient, especially for a family.

Why we like it....

WOW! This home has been re-worked and finished to such an exception standard. This has made it to be one of the more unique homes within the priors hall area. It certainly has that "wow factor"
