WHAT'S GREAT?

SOLD BEFORE MARKETING - Buyers get in touch to register your details to be kept up to date with properties before they enter the market place!

Oscar James Estate Agents are delighted to offer to the market this exceptional four bedrooms property, which sits within the heart of Weldon Village.

This property has undergone a full and extensive renovation which has completely transformed the house in to what it is now, a beautifully finished property with all modern conveniences but still holding the charm and character of the original house. The property has been double storey extended to create an incredibly spacious home, offering four sizeable bedrooms and extra reception space to the ground floor too.

The stand-out area on this one HAS to be the wonderful kitchen-diner-family room, which is an ideal space and full of natural light which beams through the roof lantern and the bi-folding door to the rear. From here there is a delightful view over the large rear garden.

En-keeping to the original house there is bay-windows to the living room and front bedroom. The master bedroom enjoys a lovely view to the rear and also features an ensuite and built-in wardrobes too.

Externally the property continues to impress, with an incredible size rear garden, leading down to a brook at the bottom side, and to the front there is copious amounts of off road parking on the large graveled driveway.
